Ladies of the Round Table Bible Study

A friend at all times and a brother is born for Adversity.

Proverbs 17:17

A Friend

A friend is someone you are comfortable with, someone whose company you prefer. A friend is someone you can count on.

A friend is one who believes in you—someone with whom you can share your dreams. In fact, a real friend is a person you want to share all of life with, and the sharing doubles the fun.

When you are hurting and you can share your struggles with a friend it will ease the pain. A friend offers you safety and trust. A friend will laugh with you, but not at you. A friend is fun. A friend will pray with you and for you.

My friend is someone with whom I can share my ideas and philosophies, someone with whom you can grow intellectually.

My friend is one who hears me when I cry of pain, who senses my struggles, who shares my lows as well as my highs.

My friend does not always say I am right because sometimes I am not...

My lover, my friend, this is what a marriage partner should be.

 One-Liners About God
 Give God what's right; not what's left.
 Man's Way leads to a hopeless end; God's way leads to an endless hope.
