Rainbows

The Rainbows have had a wonderfully busy summer. In June we had a Father's day party. We had a few fathers come to our class including my parents-Randy & Marcell Jackson!! Our theme was fishing-of course...We made fishing poles and fish placemats. We had gummi worms and jell-o fish for a snack. Every father got a gift and we played with our dads in the gym. We also have been invited out a couple of times. Once we got to have Smores. We even got to roast our own marshmallows. The other time we got to make root beer floats! Yummy!! We also went on the Missionette Camp-Out at Mary Long's home. We played games, made play dough and a special glove. We did our own hair and nails. We had to look our best.) We did our bible studies and learned a new song in Spanish. We took long walks hoping not to find "Fluffy the Skunk" and we slept in a tent. We had a blast! Even with our busy schedule we have earned more badges. They will be listed in the next newsletter. I will tell you that **Brianna Prothero** earned a Special Helper Award! She helped mom by setting the table and making beds. She helped Lillian Tobin by getting her help to get out of the ditch and just talking to her. She played nice with Andrea, Lillian and Brandon. She helped at church by cleaning up the classroom. Way to Go **Brianna!** That was AWESOM!!

The end of summer brings happiness and sadness to me. Happiness to the new little ones that will join my class and sadness for all the kids that will be leaving my class and moving up in the program. They will be missed very much. At the same time I am excited to get to know some new faces! Remember, if you are "3" years old you can join the Rainbows. I can't wait to meet you. Well folks it is hard to believe that summer has

ended and the kids are back in school. The smell of autumn is in the air. The fall colors will soon show along with the crisp cool mornings. What a glorious season.

God Bless All of You!

Children's Church

Children's Church is held every Sunday morning during the AM service. JESUS IS FOR KIDS TOO! If you have a child/children 4 years through 4th grade Children's Church is the place to be Sunday mornings!

The Twelve Months of Christmas

This month is definitely the time to take advantage of the back-to-school specials in stores just about everywhere! Imagine being a child who has nothing and opening up a box containing colored pencils or crayons and paper! How exciting! Perhaps the child would question *why* a complete stranger would give them a gift. The reason, of course, is to show them the love of Christ.

Through Samaritan Purse's follow-up programs, each child has the opportunity to learn much more about Christ and His infinite love for them.

August Shoebox Suggestions:

Ladies of the Round Table

Date: Every day of the year

Dear Friend,

How are you? I just had to send you a note to tell you how much I love you and care about you. I saw you yesterday as you were talking with your friends. I waited all day hoping you would want to talk with me also. As evening drew near, I gave you a sunset to close your day and a cool breeze to cool you-and I waited. You never came. Oh, yes it hurt me but I still love you because I am your friend. I saw you fall asleep last night and longed to touch your brow, so I spilled moonlight on your pillow and face. Again I waited, wanting to rush down so we could talk. I have so many gifts for you. You awakened late and rushed off to work. My tears were in the rain.

Today you look so sad-so all alone. It makes my heart ache because I understand. My friends let me down and hurt me many times, but I still love you. Oh, if you would only listen to me, I LOVE YOU. I try to tell you in the blue sky and in the quiet green grass. I whisper it in the leaves on the trees, and breathe in the colors of the flowers. I shout it to you in the mountain steams and give the birds love songs to sing. I clothe you in warm sunshine and perfume the air in nature scents. My love for you is deeper than the ocean and bigger than the biggest need or want in your head. Oh, if you only knew how much I want to walk and talk with you. We could spend eternity together in heaven. I know how hard it is on this earth, I really know and want to help you. I want you to meet my Father. He wants to help you too. My Father is that way too.

Just call me, ask me, talk with me. Oh please don't forget me, I have so much to share with you. All right, I won't bother you any further. You are free to choose me. It is your decision. I have chosen you and because of this I will wait-because I LOVE YOU.

Your friend,
JESUS
